

Suspense. Exciting. Thirst for more.
Goodreads

THE HOLY TRINITY OF LIFE:

Sex, money, and crime —

FLASHES OF:

Terrorists and their virgins, love, romance, and marriage
chastised.

Flashes of Vice tells life as it is in short, punchy, thrilling
stories. The switch is flipped on and off before you
know what is happening, leaving you wanting more
and more—something you will never get.

It is addictive when you begin reading, and you will
continue going to the next story, and before you know
it, you are reading the blurb.
