

A lot has been told about the Westgate attack and the Garissa attack but just what exactly happened? With the changing dynamics of security, this book equips the reader with lifesaving skills should they ever find themselves under an-terror attack in a building. It also takes a swipe on how best our security officers manning malls and hotels are trained and whether they have the requisite skills to handle any emergency. For persons wishing to join the military or with loved ones serving in the forces, this book gives you a snippet of the sacrifices they make on the warfront to afford you the comforts you enjoy.

ABOUT THE AUTHOR

Prince Musau

Prince Musau is a Kenyan author based in Nairobi. He has served as an intelligence officer in the Kenya Defense Forces for a period of 7 years and was actively involved in the war against the Alshabaab. It is from this experience that he has written this book detailing the experiences of a soldier in the warfront particularly in the pursuit

of the Alshabaab to help the public understand what it means to be a soldier.
