

THE CHURCH FOUNDATION

❖ ABOUT THE BOOK:

The main purpose of this book is to equip all the believers (saints) so as to do the will of God by ministering to one another and to the world through evangelism and compassion empowered by the grace of God and with the leading of the Holy Spirit, Ephesians 4:11-16. It is to help the believers to minister and worship God in truth and the Spirit so as to touch and transform the lives of millions of people in the body of Christ around the world as genuine worshippers. This book is hereby written and dedicated to the current and the future church of Jesus Christ and the next generations. It provides sound doctrine and foundation to be used in the body of Christ. It is an expert and a true foundation to lean on during this time of confusion, mix up, and turmoil in the church. It is written by the church for the church. A church without a strong Biblical foundation (Jesus Christ) cannot, and will not do the will of God on earth. Also it is to insist on team leadership in the church for effective ministry as opposed to the most common one man show which is very selfish, unreliable, and immature. It inspires the church by sharing the fruits of the revival movement of the 1990s. It aims to radically assist the church to transform from the rigid religious system run by mere rules of men to a dynamic church filled with the Spirit, and grace enabled to touch lives with the love of Christ and winning them for the kingdom worldwide. It is about retuning the church to its true, and divine purposes.
