PST. DAVID WANJALA

Pastor David Wanjala was born in Bungoma District (County) in a village called Lunyu, Kibisi Scheme in the early seventies.

He attended Musembe Primary School, Friends School Kamusinga, and proceeded to take a training in Animal Health And Production. After graduation, he has worked in various livestock industries in different positions.

He also worked at Ngongongeri Farm belonging to Egerton University.

He received The Lord Jesus Christ as his personal Saviour way back in 1991 and has gotten involved in the work of the ministry, especially teaching and Evangelism Ministries.

He has mentored many Christians through the teaching ministry and also as a pastor who has ministered in different parts of Kenya and is now based in Nakuru City where he is pastoring and overseeing an upcoming Ministry called Bride of Christ Outreach Ministries International- An affiliate of Jesus Glorified Church under Bishop John Njue Gachungi based in Embu Town.

He is married to Pastor Monicah and together are blessed with four children: two boys, namely Oliver Rex and Lewis Caleb, and two girls; Rinah Bracha and Talia Lesa.

"The Shepherds and The Pasture of God" is an expository book in which the author takes us through the journey of relevant scriptures, making commentaries on every scripture.

Shepherds herein are construed as the ministers of the Gospel whom God raises and charges them to lead His flock (Christians, believers). These shepherds are examined from the perspective of God.

The author defines who a shepherd is in the context of literal skills and according to the holy bible.

He gives examples of shepherds right from the book of Genesis and advances his survey in many other books, both in the Old and New Testaments.

He scouts out the specific characters and tools of the work that a shepherd is charged to dispense as he escalates his expostioning into the details of the true shepherds and the false shepherds.

Many practices and observances kept by the present-day Church that don`t bear their anchorage from the holy bible are exposed, and the author points out the plethora; that the Church has permitted many strange doctrines and practices to swell her excessively.
