

ARIKANA

BOOK 1

There are two forces calling us out.
The Light and the Dark.

There are 7 lands in the East.

Each different. Each profound. Each with its own struggles of Power.
This is the first Installation of a Three part unfolding Epic of the Historic battle
between the sons of KAI and and of the fallen KEK.

In one dreadful event, the Lineage of the Chief of Akanga is threatened by a
potent evil, only known to them as 'The Sorceress Of Harem', who possesses a
magic Talisman and unbridled favour with the throne of Harem of Kush.

Kenan, son of the Konelia, and heir to the throne of Akanga,
finds himself in the middle of this generational mess, unaware of the depths of
the matter, that pulls together powers from lands beyond, beneath and above
ARIKANA.

He must then, with a group of other strong-willed young men go on an
Adventure filled Quest to the Heathen City of Harem, and confront the Evil
that seeks to undo the 7 lands.
